This Agreement shall not apply to projects already in progress nor to projects having been bid prior to the signing of same.

It is agreed this Agreement shall be subject to review on or before March 1 of each year by a Committee appointed by the Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Union #561 and AGC of Indiana, Inc. (AGCI) for the purpose of determining the value and effectiveness of said Agreement. If it is determined by either Party this Agreement has not been effective in making the signatory contractors more competitive in this Market Place and produced more employment for the members of Laborers' International Union of North America, then this Agreement may be revised for the purpose of making it more effective or it may be cancelled March 1 of each year. If proven effective, then these conditions shall be extended from year to year subject to Committee review and recommendation on or before March 1 of each succeeding year. It is also suggested this Committee meet each four (4) months of this Agreement for discussion and evaluation.

ARTICLE XXXIII
Uniformity

In the event that any other employer or employer group reaches an agreement with the Laborers' International Union of North America, State of Indiana District Council covering in any part the same work as this Agreement, that is in the opinion of the AGC of Indiana, Inc. (AGCI) in any respect more favorable than a term of this Agreement, then at the option of AGC of Indiana, Inc. (AGCI) such more favorable provisions shall become a part of this Agreement, as of the effective date of the more favorable provision. The Laborers' International Union of North America, State of Indiana District Council shall notify, by certified mail within seven (7) calendar days of entering into any agreement with any other employer or employer group covering any part of the same work as is covered by this Agreement, the AGC of Indiana, Inc. (AGCI) and provide it with a copy of any other labor agreement now or hereafter negotiated with anyone else covering in any part the same work as this Agreement but containing any different terms or conditions.

(AGCI) and provide the name and address of any employer or employer group who signs any such "Assent of Participation", "Memorandum of Agreement", or similar agreement or who otherwise becomes bound to an agreement containing the same terms and conditions as this Agreement.

Nothing in this Article applies to agreements entered into by Laborers' International Union of North America, State of Indiana District Council and any other employer that are more favorable only by force of law.
