intended, however, that the other provisions of this Agreement shall not be affected thereby. It is further agreed that, should compliance with any law or amendment therefore, or any order or regulation issued, now or hereafter in force and effect, prohibit the carrying out of any of the provisions of this Agreement, then to the extent of such deviation or prohibition, this Agreement shall be deemed to have been automatically amended effective on the effective date of such law, order or regulations. Such amendment to this Agreement shall remain in effect only so long as said law, amendment, order or regulation continues in force or until the expiration of this Agreement, whichever event shall first occur.

ARTICLE XXXI - BONDING

Section 1. Every Employer who employs members of the Union and agrees to be covered or maintain the provisions of this Agreement may be required by the Union to give a surety bond payable to the Laborers Benefit Funds to insure the payment of fringe benefit obligations accruing under this Agreement. The Employer shall furnish a surety bond as prescribed below within fourteen (14) days after notice from the Laborers’ Fringe Benefit Funds that such is required. The amount of the surety bond shall be as follows:

1 through 10 men	\$30,000.00

Section 2. The Fringe Benefit Funds may require an Employer to give the surety bond provided for herein if at any time: (1) the Employer has been late fifteen (15) days or more in the payment of any of its monetary obligations under this Agreement; or (2) the Employer has been late in the payment of any such obligation two (2) consecutive times during the immediately preceding twelve (12) months; or (3) the Employer has not worked within the Union’s geographical jurisdiction under this Agreement during any of the immediately preceding twelve (12) months.

If after giving and providing such surety bond the Employer is not late in the payment of its monetary obligations during the next following twelve (12) months, the Employer shall be released from the requirement to provide a surety bond unless the conditions specified in the first sentence of this Section reoccur.

Section 3. When a surety bond is demanded, the Employer will obtain such in the required amount, from a company acceptable to the Fringe Benefit Funds, and the benefit funds specified in this Agreement shall be the sole beneficiaries of the bond. The bond will be given to the Fringe Benefit Funds where it will be kept.

Section 4. Should an Employer fail or refuse to provide the required surety bond, when such is demanded by the Union, or should an Employer fail to keep a bond in effect at all times said Employer is required to have one, the Union shall have the right to strike and/or picket, after

notice, and use all other legal and/or economic means to cause the Employer to comply with this Article.

ARTICLE XXXII - HEALTH CARE

Section 1. Should either the State or Federal Government pass legislation mandating all Employers to participate in a national or statewide health care plan, it is agreed by the Parties to this Agreement to automatically open this Agreement within thirty (30) days of such passage to discuss same.

ARTICLE XXXIII - SUBSTANCE ABUSE PROGRAM

The Union and the AGC of Indiana, Inc. and/or signatory Employer hereby agree that the drug testing program set forth in the Indiana Union Construction Substance Abuse Trust Policy (“Policy”) is incorporated by reference herein and made a part of this Agreement. The Trustees of the Indiana Union Construction Substance Abuse Trust Fund (“Fund”) shall have the authority to amend the terms of the Policy to which employees working under this Agreement will be subject.

The administration of the Policy will be funded by contributions to the Fund. The Trustees of the Fund shall have the authority to determine the amount to be contributed by signatory Employers to defray the cost of the Policy. The Trustees may set the contribution at any rate up to ten cents (\$.10) per hour depending on the Trustees’ assessment of the amount needed to fund the Policy adequately to fulfill its purposes. Once the rate has been set, the Trustees may adjust the rate of contribution from time to time within the parameters set forth above, provided the Trustees give the Employer(s) at least sixty (60) days notice of any such adjustment.

It is agreed that the Employer contribution to this fund is *not* part of the wage/fringe package under this Agreement, but is instead a separate additional contribution made by the Employer solely to fund the Policy. Accordingly, the establishment or adjustment of the rate of contribution by the Trustees shall not affect the wage rates or the amounts set forth for contributions to fringe benefit funds under this Agreement.

ARTICLE XXXIV - NOTIFICATION OF TERMINATION FORM

The Employer agrees to designate discharges “for cause,” when appropriate, as described in the attached Notification of Termination Form for purposes of the Union’s Code of Performance only. The parties agree that the Notification of Termination Form cannot be used in, admitted into evidence during, or referred to as a part of, the grievance and arbitration procedure under the parties’ collective bargaining agreement.

This Article is intended only to assist the Union in implementing and administering its Code of Performance. This Article does not create any new or additional rights whatsoever for workers under the parties’ collective bargaining agreement, including not creating any new or additional right to reinstatement with or without back pay from the Employer.

This Article does not create a responsibility or requirement for the Employer to implement the Union's Code of Performance. The Union is implementing the Code of Performance as an internal union program for its membership. The Employer is merely cooperating with the Union's implementation and has no obligation to participate in, agree to, or implement any aspect of the Union's Code of Performance. The Employer's only obligation under the Union's Code of Performance is to complete and submit the Notice of Termination Form.

Except for the Employer's obligation to complete and submit the Notice of Termination Form, this Article does not create any new or additional Employer rights, nor does this Article take away any Employer rights that are part of this Agreement or that exist for the Employer outside of this Agreement.

Local Unions #120, #204, #274, #741, #1112, agree to, indemnify and hold harmless the Employer from any and all claims, actions, damages, settlements, costs, expenses (including, but not limited to attorneys' fees) and/or proceedings arising out of said Code of Performance and/or Employer's completion of the Notification of Termination Form.

ARTICLE XXXV - MEMORANDUM OF UNDERSTANDING - MARKET RECOVERY AGREEMENT

THIS AGREEMENT is made and entered into by and between LABORERS' INTERNATIONAL UNION OF NORTH AMERICA, STATE OF INDIANA DISTRICT COUNCIL FOR AND ON BEHALF OF ITS AFFILIATED LOCAL UNIONS #120, #204, #274, #741, #1112 AND AGC OF INDIANA, INC. for the purpose of making the contractors signatory to this Agreement more competitive in a market that is now beyond the realm of possibility and to create added jobs for the unemployed members of Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Unions #120, #204, #274, #741, #1112.

It is agreed the wage rates for work being performed and defined in Article XXIX "Hourly Wage Rates" of the Collective Bargaining Agreement titled "Building" and hereinafter referred to as "Master Agreement" negotiated by and between Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Unions #120, #204, #274, #741, #1112 and AGC of Indiana, Inc. shall be eighty (80%) per cent of the basic wage rate plus one hundred percent (100%) fringe benefit package as defined in the Master Agreement.

This memorandum agreement covers building projects with a base bid price less than \$500,000.00. On building projects of more than \$500,000.00 which are mutually agreed to by both the Union and the contractor and upon notice of the contractor's intention, such building projects will be within the scope and intent of this memorandum agreement.

The Employer may not employ an Apprentice until at least one Journeyworker is employed and thereafter may not employ more than one (1) Apprentice for every additional one (1) Journeyworker.

Provided that if a Market Recovery Agreement is reached between AGC of Indiana, Inc. and any other craft performing work on said project then the percentage rate paid to the Laborers covered by this memorandum shall be not less than that paid to any other craft. The Union may cancel this Agreement as to a particular contractor if in its sole judgment the Union believes the said contractor has violated or abused this Agreement. Provided further, should difference of opinion arise pertaining to work covered by this Memorandum Agreement, the difference of opinion shall be settled in accordance with Article XXV "Grievance Procedure" of the Master Agreement. All other terms and conditions of the Master Agreement shall apply.

This Agreement shall not apply to projects already in progress nor to projects having been bid prior to the signing of same.

It is agreed this Agreement shall be subject to review on or before March 1 of each year by a Committee appointed by the Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Unions #120, #204, #274, #741, #1112 and AGC of Indiana, Inc. for the purpose of determining the value and effectiveness of said Agreement. If it is determined by either Party this Agreement has not been effective in making the signatory contractors more competitive in this Market Place and produced more employment for the members of Laborers' International Union of North America, then this Agreement may be revised for the purpose of making it more effective or it may be cancelled March 1 of each year. If proven effective, then these conditions shall be extended from year to year subject to Committee review and recommendation on or before March 1 of each succeeding year. It is also suggested this Committee meet each four (4) months of this Agreement for discussion and evaluation.

ARTICLE XXXVI - UNIFORMITY

In the event that any other employer or employer group reaches an agreement with the Laborers International Union of North America, State of Indiana District Council covering in any part the same work as this Agreement, that is in the opinion of the AGC of Indiana, Inc. in any respect more favorable than a term of this Agreement, then at the option of AGC of Indiana, Inc. such more favorable provisions shall become a part of this Agreement, as of the effective date of the more favorable provision. The Laborers International Union of North America, State of Indiana District Council shall notify, by certified mail within seven (7) calendar days of entering into any agreement with any other employer or employer group covering any part of the same work as is covered by this Agreement, the AGC of Indiana, Inc. and provide it with a copy of any other labor agreement now or hereafter negotiated with anyone else covering in any part the same work as this Agreement but containing any different terms or conditions.

Within seven (7) calendar days of entering into an "Assent of Participation", "Memorandum of Agreement", or other similar agreement, the Laborers International Union of North America, State of Indiana District Council will notify, by certified mail, the AGC of

Indiana, Inc. and provide the name and address of any employer or employer group who signs any such “Assent of Participation”, “Memorandum of Agreement”, or similar agreement or who otherwise becomes bound to an agreement containing the same terms and conditions as this Agreement.

Nothing in this Article applies to agreements entered into by Laborers International Union of North America, State of Indiana District Council and any other employer that are more favorable only by force of law.

ARTICLE XXXVII - NO STRIKE CLAUSE

During the term of this Agreement, there shall be no lockouts by the Employer and no strikes, picketing, work stoppages, slow downs or other disruptive activity for any reason by the Union or by any Employee. Failure of the Union or Employees to cross any picket line at the Employer’s project site is a violation of this Article.

The Union shall not sanction, aid or abet, encourage or continue any work stoppage, strike, picketing or other disruptive activity which violates this Article and shall undertake all reasonable means to prevent or to terminate any such activity. No Employee shall engage in activity which violates this Article. Any Employee who participates in or encourages any activity which violates this Article shall be subject to disciplinary action, subject to the grievance procedure.

The Union and its principal officers will immediately instruct, order and use its best efforts to cause its members to cease any violation of this Article.

If the Union initiates, participates in, or supports a work stoppage, strike, picketing or other disruptive activity in violation of this Article, the Employer may pursue all legal and administrative remedies and any damages available thereto related to the Union’s violation of this Article.

ARTICLE XXXVIII - EFFECTIVE DATE

THIS AGREEMENT shall be in full force and effect from June 1, 2022 when ratified by a majority of members of the AGC of Indiana, Inc. and signed by the Laborers’ International Union of North America, State of Indiana District Council, for and on behalf of its affiliated Local Unions #120, #204, #274, #741, and #1112 and shall continue in full force and effect for the periods mentioned herein, expiring as of May 31, 2025.

In case either Party to this Agreement wishes to change the Agreement, at least sixty (60) days written notice shall be given to the other Party prior to the expiration date. In case no such notice is given by either Party, the Agreement shall continue in effect from year to year until such notice is given at least sixty (60) days prior to the anniversary date.
